

It's Time To Improve Sourdough Canyon Trailhead *We Need Your Help!*

If you love the Sourdough Canyon Trail, but hate the chaotic parking and dangerous road, please join GVLT in taking advantage of the first opportunity in many years to improve this important trailhead!

In December 2007, a 4.6-acre property that includes most of the Sourdough Canyon Trailhead was generously donated to GVLT by Micheal Delaney and Ileana Indreland. Last year the Montana Fish Wildlife & Parks Recreational Trails Program awarded GVLT approximately \$22,000 for our first phase of trailhead improvements which will include a permanent vault toilet. Later this winter we hope to be able to announce plans for major parking improvements. Now we need your help!

A great trail deserves a quality trailhead!

Please consider contributing to these long-needed improvements.

Donations of all sizes are welcome.
